Five Reasons to Chill this Spring!

Number 1

The Bungalow Owners Association have a brand new website with all the info you ever needed to know in one place. Visit us at www.bungalows.co.za and please let us know what you like, don't like and what you would like to see more of.

Number 2

The tide is further out than normal as we are at full moon and approaching the Spring equinox. Get onto that beach and explore.

Number 3

The speed limits along Victoria Road have been changed. So go down a gear and enjoy the view. Seapoint beach-front is 50km/h max. Seapoint to Clifton 4th is 40km/h and 4th Beach to Camps Bay is 50km/h again. And beware there are cameras everywhere.

Number 4

It's a great time of year to explore all of our beaches. Please send us photographs of your excursions and let us know if you will be happy for them to appear in the website gallery.

Bakoven, Clifton & Glen Beach have a rich heritage connection. Please browse through the Heritage section of the new website for a brief overview.

Number 5

Spectacular weather and later sunsets perfect for sundowners. Bungalow living is the most chilled living!

Live it! Love it!
