

Clifton-on-Sea and District Bungalow Owners' Association

Clifton, Glen Beach & Bakoven

Newsflash 19
May 2016

Title deeds

An application to change title deeds to enable the erf to be owned by more than one person has been submitted to Council. Objections and comments are due at Council before 30 May. The BOA would need to have your comments before 27 May to give us time to formulate a response. Are there any bungalow owners who have an objection to this case, which could serve as a precedent to all our title deeds?

The Bungalow Owners committee would like to hear from you before coming to a viewpoint and formulating a response representing the majority.

AGM report back

Thanks for the great turnout for our recent AGM, and all those who contributed towards making it an interesting and pertinent meeting. As Paddy Walker steps down as chairperson, we thank her for her hard work and huge amount of time and energy she has put into the Association over the past 3 years. A new chair will be elected by the committee at committee meeting in June, as per the constitution.

The minutes have been circulated, as have the invoices for the new financial year subscriptions. Please support the Association so we can continue to represent your interests and protect the heritage of this unique part of Cape Town.
